## Thank you for your service

We're pleased to announce that we now offer a discount on membership dues for disabled veterans! Many have served, but this is to give extra recognition to those who live with significant disabilities. Disabled U.S. Military Veterans will now pay annual membership dues of only \$20 when your Summary of Benefits letter (from the Department of Veteran Affairs) shows a Service-Connected Evaluation of 50% or more disability. Send a copy of your Summary of Benefits letter with your name, Service-connected evaluation percentage, and the date visible (black out your VA claim number, monthly award, and any other personal information). Send your letter, this form, and your payment to NFLCC.

# About NFLCC

The National Fishing Lure Collectors Club (NFLCC) is a non-profit, educational, international organization founded in 1976. The NFLCC encompasses every aspect of collecting fishing-related tackle and ephemera (i.e., reels, rods, catalogs, advertising, minnow traps and buckets, creels, photos, etc.)—not just fishing lures.

The NFLCC has established itself as the premier organization for the vintage fishing tackle collector. The NFLCC is dedicated to offering the very best in publications, online resources, and shared experiences at the regional and national shows stretching from coast to coast. A great deal of information can be found in our publications and the collaborative community found on our message board.

The camaraderies formed make this a one of a kind collecting experience. Visit [www.NFLCC.org](http://www.NFLCC.org) to learn more.
